**DESCRIPTION**

The property was built by SPF and consists of 2 blocks of building of similar architecture. It is being sold inclusive of existing furniture and fittings. It carries strong potentials for tourism-related activities, subject to the approval of the relevant authorities.

Existing tenancy agreements could be renegotiated or terminated by the new owners. Notice of the upcoming change in property ownership has been communicated to all tenants. The land is free from any encumbrances.

**Parking**

Adequate paved parking facilities for tenants are provided in the front yard of the buildings.

**Security**

The property is protected by a perimeter block-wall fence measuring 1.8m high and 260m long and an electronic security gate. It also has an outbuilding on the premises, which houses an electricity sub-station, a guardroom and a warden's office. Camera installation facilities are available and are in good condition.

**Condition Disclosure:**

The property is in good condition with minor reparation works required.

The furniture in some apartments have seen traces of wood borers, which could be treated or replaced.
