PUBLIC NOTICE

Demolition works at the Ex-Continental premises

Seychelles Pension Fund wishes to inform the members of the public that demolition works will soon be undertaken at the ex-Continental Premises on Royal Street.

Following a thorough assessment, the existing buildings have been deemed structurally unfit. The demolition is part of SPF's long-term plan to redevelop the site into a more valuable and productive asset for its members.

Demolition works are scheduled to commence on Sunday 27th July 2025, and expected to be completed within a period of three months. SPF is working closely with all relevant authorities to ensure the process is safe and causes minimal disturbance to the surrounding community.

Members of the public are advised to follow all safety notices and road signs during the demolition period.

SPF wishes to thank the members of the public for their understanding and cooperation as it embarks on this important redevelopment initiative.
